

Delta Force 1 and 2 (1998–1999) — Voice Commands

Operator, your mic is your edge. In the field, every second you spend fumbling with a key is a second the enemy has on you. Call your actions out loud — Echo Control translates them into instant inputs so you can keep your eyes on the objective.

STANCE

Control your soldier's body position. In tight cover situations, the difference between prone and crouch can decide the engagement.

Say	Action
prone · go prone · hit the deck · get flat · get down · down · crawl	Prone (MOUSE_MIDDLE)
crouch · duck · get low	Crouch (END)
stand · stand up · get up · up · on your feet	Stand (DELETE)
jump · hop · vault · leap	Jump (SPACE)
walk · slow down · slow · walking	Walk (SHIFT (hold))
normal · back to normal · turbo · sprint · run · go fast · full speed	Normal (noop)
