

Elite Dangerous — Voice Commands

The galaxy won't explore itself, Commander. Say the word and your ship responds — no hands needed on the controls. Every command below is a voice trigger recognized by Echo Control. Speak clearly and the stars are yours.

PROPULSION

Control your ship's movement through normal space and frame-shift travel.

Say	Action
boost · boost engines · use boost · emergency boost	Boost (UseBoostJuice)
full throttle · maximum speed · max speed · floor it	Full Throttle (SetSpeed100)
reduce speed · half throttle · slow down · half speed · fifty percent · 50 percent	Reduce Speed (SetSpeed50)
stop · full stop · zero throttle · all stop	Stop (SetSpeedZero)
jump · hyperspace · hyperspace jump · engage jump · frame shift jump	Jump (HyperSuperCombination)
supercruise · engage supercruise · enter supercruise · cruise · engage cruise · enter cruise · super cruise	Supercruise (SupercruiseEngaged)
seventy five percent · 75 percent · approach speed · three quarter throttle	Throttle 75 (SetSpeed75)
twenty five percent · 25 percent · quarter throttle · quarter speed	Throttle 25 (SetSpeed25)
cancel fsd · abort jump · cancel jump · fsd off	Fsd Cancel (HyperSuperCombination)
emergency drop · drop now · disengage fsd · emergency exit	Emergency Drop (HyperSuperCombination)

POWER

Redistribute power between your ship's three core systems on the fly.

Say	Action
power to shields · power to systems · shields · more shields · boost shields	Power Shields (IncreaseSystemsPower)
power to engines · engines · more engines	Power Engines (IncreaseEnginesPower)
power to weapons · weapons · more weapons	Power Weapons (IncreaseWeaponsPower)
reset power · balance power · equalize power · reset distribution	Reset Power (ResetPowerDistribution)

COMBAT

Deploy weapons, manage countermeasures, and survive the fight.

Say	Action
hardpoints · deploy hardpoints · retract hardpoints · weapons out	Hardpoints (DeployHardpointToggle)
next fire group · cycle fire group · fire group	Fire Group Next (CycleFireGroupNext)
previous fire group · fire group back · cycle fire group back	Fire Group Prev (CycleFireGroupPrevious)
chaff · deploy chaff · launch chaff	Chaff (DeployChauffLauncher)
shield cell · use shield cell · activate shield cell	Shield Cell (UseShieldCell)
silent running · go silent	Silent Running (ToggleButtonUpInput)
deploy heatsink · heatsink · cool down · vent heat	Deploy Heatsink (DeployHeatSink)
analysis mode · toggle hud mode · scanner mode · hud mode toggle	Hud Mode Toggle (PlayerHUDModeToggle)

TARGETING

Lock onto ships, subsystems, and threats without touching the keyboard.

Say	Action
select target · lock target	Select Target (SelectTarget)
next ship · next target · cycle target	Target Next (CycleNextTarget)
previous ship · previous target · cycle back	Target Prev (CyclePreviousTarget)
target threat · highest threat · target nearest threat · lock threat	Target Threat (SelectHighestThreat)
next enemy · next hostile · cycle hostile · hostile target	Target Hostile (CycleNextHostileTarget)
next subsystem · target subsystem · subsystem	Target Sub (CycleNextSubsystem)
wingman one · target wingman one · wingman alpha	Wingman 1 (TargetWingman1)
wingman two · target wingman two · wingman beta	Wingman 2 (TargetWingman2)

PANELS

Open any of the four cockpit panels without looking away from the action.

Say	Action
left panel · navigation panel · nav panel	Panel Left (FocusLeftPanel)
right panel · systems panel · modules panel	Panel Right (FocusRightPanel)

Say	Action
comms panel · communications · top panel	Panel Comms (FocusCommsPanel)
role panel · role · bottom panel	Panel Role (FocusRadarPanel)
go back · close panel · escape menu · panel back	Ui Back (UI_Back)

NAVIGATION

Plan your route, chart systems, and request docking — all hands-free.

Say	Action
galaxy map · open galaxy map · galactic map	Galaxy Map (GalaxyMapOpen)
system map · open system map	System Map (SystemMapOpen)
clear route · cancel route · remove route · cancel navigation	Clear Route (ClearRoute)
request docking · dock · ask for docking · docking request	Request Docking (RequestDocking)
cancel docking · abort docking	Cancel Docking (CancelDocking)

EXPLORATION

Scan systems and planetary bodies without interrupting your flight.

Say	Action
fss · full spectrum scanner · open scanner · fss scanner · scan	Fss Scanner (ExplorationFSSEnter)
dss · surface scanner · detailed scanner · dss scanner	Dss Scanner (SAAScanButton)
honk · discovery scanner · system scan · pulse scan	Discovery Scanner (ExplorationFSSDiscoveryScan)

UTILITIES

Ship functions you don't want to fumble with during a tense moment.

Say	Action
landing gear · toggle landing gear · deploy landing gear · gear	Landing Gear (LandingGearToggle)
cargo scoop · deploy scoop · retract scoop · scoop	Cargo Scoop (ToggleCargoScoop)
ship lights · toggle lights · lights on · lights off	Ship Lights (ShipSpotLightToggle)
night vision · toggle night vision	Night Vision (NightVisionToggle)

Say	Action
flight assist · toggle flight assist · disable flight assist	Flight Assist (ToggleFlightAssist)
external camera · camera · toggle camera · outside view	External Camera (ToggleExternalCamera)
jettison cargo · dump cargo · eject cargo · eject all cargo	Jettison Cargo (EjectAllCargo)
board ship · enter ship · return to ship · embark	Board Ship (HumanoidPrimaryInteractButton)
recall ship · call ship · summon ship	Recall Ship (RecallDismissShip)
dismiss ship · send ship away · ship stand by	Dismiss Ship (RecallDismissShip)

MACROS

★ One command. Multiple actions. These are the demo-worthy showstoppers: prepare landing chains throttle, gear, and docking; combat mode deploys hardpoints and powers weapons; travel mode engages supercruise in one breath.

Say	Action
prepare landing · landing sequence · begin landing	Prepare Landing (SEQUENCE (3 steps))
combat mode · prepare for combat · battle stations	Combat Mode (SEQUENCE (3 steps))
travel mode · prepare to travel · jump prep	Travel Mode (SEQUENCE (3 steps))

SRV

Say	Action
exit srv · leave srv · disembark · get out of buggy	Exit Srv (HumanoidPrimaryInteractButton)
drive assist · toggle drive assist · buggy assist	Srv Drive Assist (ToggleDriveAssist)
handbrake · parking brake · srv brake	Srv Handbrake (AutoBreakBuggyButton)
turret · toggle turret · deploy turret	Srv Turret (ToggleBuggyTurretButton)
srv lights · buggy lights · rover lights	Srv Lights (HeadlightsBuggyButton)
srv night vision · surface night vision · buggy night vision	Srv Night Vision (NightVisionToggle)

ON_FOOT

Say	Action
disembark · leave ship · exit ship · exit to surface	Disembark (HumanoidPrimaryInteractButton)

Say	Action
board srv · enter srv · get in buggy	Board Srv (HumanoidPrimaryInteractButton)
medkit · use medkit · heal · apply medkit	Medkit (HumanoidHealthPack)
energy cell · use battery · recharge suit · battery pack	Energy Cell (HumanoidBattery)
flashlight · torch · light · toggle light	Flashlight (HumanoidToggleFlashlightButton)
interact · use · open · activate	Interact (HumanoidPrimaryInteractButton)

CAMERA

Say	Action
camera suite · open camera suite · advanced camera · photo mode	Camera Suite (PhotoCameraToggle)
screenshot · take picture · take screenshot	Screenshot (F10)
