

Euro Truck Simulator 2 — Voice Commands

Long hauls call for both hands on the wheel. With Echo Control you can manage lights, gears, cameras, and navigation without ever leaving the steering position. Keep your eyes on the road — let your voice do the rest.

DRIVING

Core driving controls. Useful for managing engine, gears, and cruise without reaching for the keyboard on a long stretch of highway.

Say	Action
engine · start engine · engine on · engine off · ignition · turn off engine · turn on engine · kill engine	Engine (E)
handbrake · parking brake · hand brake · set brake · release brake · release handbrake	Handbrake (SPACE)
engine brake · engine braking · jake brake · compression brake	Engine Brake (B)
cruise · cruise control · set cruise · engage cruise · disengage cruise · cruise off · cruise on	Cruise (C)
gear up · shift up · upshift · next gear · higher gear	Gear Up (SHIFT)
gear down · shift down · downshift · lower gear · previous gear	Gear Down (CTRL)
confirm · ok · select · yes · accept · continue	Confirm (ENTER)
left · turn left	Steer Left (A)
right · turn right	Steer Right (D)
backwards · go backwards · reverse	Reverse (S (hold))
forward · go forward	Drive Forward (W (hold))

LIGHTS

Control all lighting systems on your rig. Particularly handy at night or when entering tunnels, where you'd otherwise hunt for the right key.

Say	Action
lights · toggle lights · light mode · cycle lights · turn on lights · turn off lights	Lights (L)
high beam · main beam · brights · full beam · full lights · high beams	High Beam (K)
hazard lights · hazards · four ways · emergency lights · hazard on · hazard off	Hazard (F)
left indicator · left signal · blinker left · left blinker · indicate left	Indicator Left (')
right indicator · right signal · blinker right · right blinker · indicate right	Indicator Right

Say	Action
warning lights · warning · beacon · orange lights · blinkers · all blinkers	Warning (O)
flash · light signal · flash lights · headlight flash	Flash (J)

TRUCK

Secondary truck systems — noise, comfort, and cargo management.

Say	Action
horn · honk · beep · sound signal · blow horn	Horn (H)
wipers · windscreen wipers · wiper · windshield wipers · wiper on	Wipers (P)
radio · audio player · music · open radio	Radio (R)
dashboard · display mode · dash · dashboard mode	Dashboard (I)
trailer · connect trailer · disconnect trailer · hook trailer · unhook trailer · attach trailer · detach trailer	Trailer (T)
mirrors · show mirrors · hide mirrors · toggle mirrors · side mirrors	Mirrors (F2)

CAMERA

Switch between the nine available camera views. Say the camera name or call it by number — both work.

Say	Action
interior · interior camera · inside · cabin view · cabin camera · camera one	Cam Interior (1)
follow cam · following camera · chase cam · follow · chasing camera · camera two	Cam Follow (2)
vertical · vertical camera · top view · overhead · top down camera · camera three	Cam Vertical (3)
roof cam · roof camera · roof view · roof top camera · camera four	Cam Roof (4)
rear view · rear camera · back cam · rear · lean on camera · camera five	Cam Rear (5)
bumper cam · bumper camera · front cam · front camera · bumper · camera six	Cam Bumper (6)
wheel cam · wheel camera · wheel view · on wheel camera · camera seven	Cam Wheel (7)
exterior · exterior camera · outside · outside view · drive by camera · camera eight	Cam Exterior (8)
next camera · next cam · switch camera · cycle camera · camera nine	Cam Next (9)

NAVIGATION

Access maps, job info, and truck status. Useful at rest stops or while parked, so you can check your route without alt-tabbing away from the cab.

Say	Action
map · world map · open map · show map · big map	Map (M)
route advisor mode · route advisor change · route advisor display · advisor mode · advisor change · advisor display	Routeadvisor Mode (F3)
truck adjustment · truck adjustments · truck services · truck seats · truck mirrors · truck lights · open truck adjustment · open truck adjustments · open truck services · open truck seats · open truck mirrors · open truck lights	Truck Adjustment (F4)
gps · navigation · gps mode · navigation mode · open gps · open navigation · open gps mode · open navigation mode	Routeadvisor Nav (F5)
orders · job info · orders mode · job info mode · open orders · open job info · open orders mode · open job info mode	Routeadvisor Jobinfo (F6)
diagnostic · status · diagnostic mode · status mode · open diagnostic · open status · open diagnostic mode · open status mode	Routeadvisor Diagnostic (F7)
info · info mode · open info · open info mode · information · general info	Routeadvisor Info (F8)
chat · chat mode · open chat · open chat mode · truck chat	Routeadvisor Chat (F9)
next page · next screen	Routeadvisor Next (NUMPAD0)
garage · garage manager · open garage · truck garage	Garage (G)
menu · main menu · control panel · escape · back to menu · game menu	Menu (ESCAPE)
pause · help · help screen	Pause (F1)
